* In accordance with 10. § of MEKH decree No 1/2013 (VII. 11.)

(6) In case of using the cross border pipeline listed under subpoints aaf) and aag) of subpoint aa) subpoint of a) point of the section (1), 2. §, the Network Users shall pay the exit capacity fee related to subpoint aaa) of subpoint of aa) of point a) of section (1) of § 2, defined in point II. of Annex No 2. as well.

(7) In case of using the cross border pipeline listed under subpoints aan) of subpoint aa) subpoint of a) point of the section (1), 2. §, the Network Users shall pay the fee equal to the entry capacity fee related to subpoint aac) of subpoint of aa) of point a) of section (1) of § 2, defined in point II. of Annex No 2. as well.

**The fee to be paid for using Romanian interconnection pipeline: 747.88 HUF/(kWh/h)/y. The correspondence between FGSZ Ltd. and MEKH concerning the application of fees is accessible as downloadable documents on the website under "Fees and tariffs".

***In case of capacity booking in reverse of physical flow (backhaul), the payable fee shall be calculated in the following way:

in case of entry points defined in aac) subpoint of aa) subpoint of a) point of the section (1), 2. §, the payable fee is calculated on the basis of the fee defined for exit points in compliance with aaa) subpoint of aa) subpoint of a) point of the section (1), 2. §.
