

## Login UAT platform

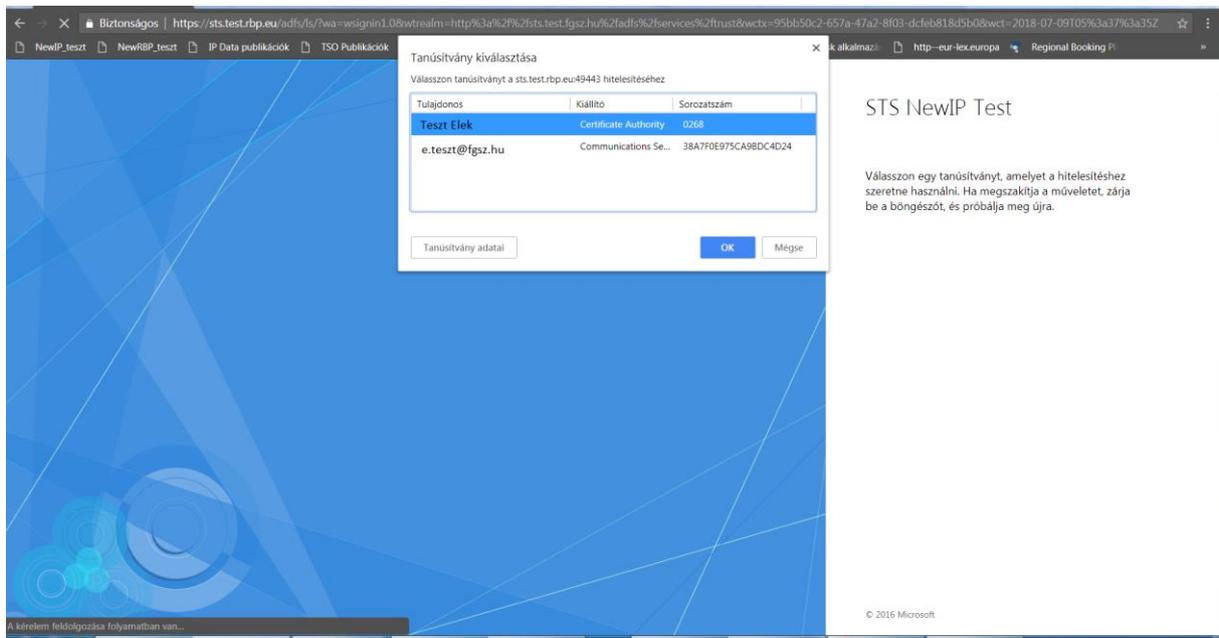

The UAT platform of the New IP System can be accessed using the following link:

<https://ipnew.test.fgsz.hu/Fgsz.klp.Web.UAT/#main>

After you open the link, you should select the sts.test.rbp.eu account.

From the certificates that are displayed, you should select the certificate that was previously sent to FGSZ e-mail address [rbp@fgsz.hu](mailto:rbp@fgsz.hu), in .cert format. After selecting the certificate and pressing "ok", you can enter the system.

## 1. Master Data > Partners > Own Shipper Data

You can see here your own partner data.

The screenshot displays the RBP system interface for the '1. Master Data' section, specifically the 'Edit Shipper Data' page. The top navigation bar includes the RBP logo, the current page title, and user information: 'HU | EN', '10/07/2018 07:51:57 (UTC)', 'FGSZ UAT (Node-1) 1.18.706.1620', and 'Tom Nominator (NoName Ltd.)'. Below the navigation bar, a message states 'No operations available'. The main content area is divided into two columns. The left column, titled 'Actual Partner Data', shows details for 'NoName Ltd.': EIC Code: HianyzeICKod124, Tax Number: 11111, Name: NoName Ltd., Valid From: 2018.07.02, Registry Number: 11111, Registry Court, and e-mail. The right column, titled 'Partner address data', shows a table with columns: Type, Postal..., City, Street Address, Valid From, Valid To, and Count. The table contains one row: 'Base address', '1111', 'Budapest', '2018.07.02', and 'Magyar'. Below this, there are tabs for 'Enabled NetworkUser' and 'Shipper credit accounts'. The 'Enabled NetworkUser' tab shows a table with columns: TSO Name, Networkuser name, and Role. The 'Shipper credit accounts' tab is currently selected and is empty.

## 2. Master Data > Users > New User (for Organization)

Here, you can add a new user for your organization. You can upload the .cer file to CertificateAttachmentId. You can add different roles for the user with the New Role button.

After you add a new user for your organization, please notify FGSZ at [rbp@fgsz.hu](mailto:rbp@fgsz.hu) e-mail address, that we can make the necessary settings. This is only required during the UAT period.
